Help Us **Save** The Historic **BOYD HOUSE**

The R.H. Boyd Publishing Corporation invites you to partner in the renovation of the Historic Boyd House, located on the campus of Fisk University. Listed on the National Registry of Historic Places, the home was built in the early 1900's by Nashville community leaders Dr. Henry Allen and Mrs. Georgia Bradford Boyd. We've launched a \$1.1 million nationwide campaign to renovate this Edwardian-style structure into academic spaces that build opportunities for students. Visit theboydhouse.org or fill out and return this form to make a tax-deductible gift or pledge.
